SUBJECT: Breakfast with Secretary of Defense Weinberger and
Deputy Secretary of Defense Taft
Friday, 1 May 1987 - CIA Headquarters

25X1

The following subjects were discussed at the breakfast.

25X1

1. We discussed at some length the SSCI mark-up. I reported to them the arrangement that I had worked out with the Committee in terms of the mid-June and 1 September reports, and indicated that I had talked to Pete Aldridge before making a commitment and they seemed content. They had no particular concerns.
